Connect and Learn

Connect and Learn app allows teachers and other stakeholders to participate in a Regional CSE Community of Practice whose aim is to Support Young People to Build Strong Foundations for Life.

The CoP aims to connect teachers and various multi-sectoral stakeholders and create a platform where they can share knowledge and experiences; build specialized knowledge; and access useful and innovative resources in the delivery of CSE. It particularly serves as a platform to support teachers with continuous professional development (CPD).

Through this app users are able to:

1. Join and become members of the 'Connect and Learn' Community of Practise
2. Get information about Connect and Learn
3. Engage in conversations with other members through the Forum and Chat functions
4. View, RSVP and Invite other participants to 'Connect and Learn' Events
5. Stay up to date with O³ Project news on the blog
6. Listen to episodes of the YouthPod podcast
7. View profiles and follow fellow members
8. Edit member profile to change profile picture and about.
